

EH-TW6700

DATASHEET

Experience the awe-inspiring feel of the big screen at home with this Full HD 2D & 3D projector with 3LCD technology for high-quality images

Be prepared to be impressed; the EH-TW6700 delivers on all fronts with a range of high-end features to generate bright, colourful and high contrast Full HD images, all at an affordable price. What's more, it's easy to set up with a wide lens-shift range, optical zoom and vertical and horizontal keystone correction, producing exceptionally well-adjusted images in seconds.

Sharp, smooth images

Using Epson's 3LCD technology for high brightness and vivid colour, this Full HD projector features high White and Colour Light Output of 3,000 lumens and 70,000:1 dynamic contrast ratio. This technology ensures bright, vivid colours and deep blacks. Frame interpolation and Detail Enhancement provide sharper and smoother motion pictures and great detail, for greater clarity, and the EH-TW6700 can also convert standard 2D video into 3D.

Enjoy the big-screen experience with easy set-up

Sit back and immerse yourself in the experience from the very start with our easy to install, simple to use projector, which can be placed almost anywhere. With this model boasting a 1.6x optical zoom, vertical $\pm 60\%$ and horizontal $\pm 24\%$ keystone correction, superbly aligned images can be achieved effortlessly. Maintenance is also kept to a minimum with the EH-TW6700. Thanks to the incredibly long lamp life, you can watch a movie every day on the big screen for the next seven years¹.

KEY FEATURES

- **Affordable, high-performance home cinema**
Displays both 2D & 3D video
- **Smooth, fast-moving action**
