

Exceptional Brightness Compact Sleek Design

Exceptionally bright 4000 lumens, the EP774 projector is able to deliver stunning presentations in bright environments from its compact sleek design. The Native XGA EP774 delivers high performance images and video graphics easily suitable for either fixed or mobile installation.

- Easily installed with Digital and Analogue connectivity, DVI-D with HDCP, VGA Component Compatible, S-Video, Composite Video, two audio inputs & 12v trigger
- Express on/off function to Power on/off the projector in mere seconds
- Fully featured remote control with laser pointer and page up/down control for seamless presentations
- Long life lamp, easy to replace from top cover & filter-free design

- Exceptionally long life lamp 3000 hours
- RS232 Control for AV installations
- Password Security for added Protection

True vivid and deep saturated colours with Optoma five segment colour wheel maximises colour accuracy

5 Preset User Modes

Presentation, Bright, Movie, Game, TV
