

Epson 1700 Series

Bright, light and smart, the ideal presentation partner

The Epson EB-1700 Series has the power to deliver bright, high-contrast images in clear colours. It's also lightweight and compact, ideal for the busy professional on the move, when visiting customers or in various situations in the office.

This projector is also very easy to set up and operate, leaving you free to concentrate on your audience and your presentation. Quiet and compact, it is the ideal presentation partner.

EasyMP™

1) Wireless connection

Present directly and securely through a wireless network. It is possible to send video data with sound. Remote management of all your networked projectors via wired or wireless LAN.

2) Operate 4 projectors simultaneously, to create a panoramic view or show different applications.

3) PC Free

Travel light, leave your PC behind.
Simply plug in your USB key

Simply plug in your USB key and start your presentations, slideshows or movies.

Exclusive 3-in-1 USB Display

A single, long USB cable replaces three to carry all signals – image, sound and mouse control data (for mouse cursor and Page Up/Down). This unique and extremely convenient feature means no more having to play with wires in front of your audience.

And combined with the remote control you can also project and slideshow your presentation easily at a distance.

Available on Epson EB-1725 and EB-1735W

Certified for Windows Vista™ Network Projector function

Connect the Epson EB-1725 and Epson EB-1735W projectors to a PC with Windows Vista^{TM*} and launch the network projector function (WLAN or LAN): no need to install additional applications, no administrator rights needed.

Stylish

Eye-catching yet practical. No bigger than an A4 sheet of paper, rounded edges give the Epson EB-1700 Series an appealing modern look that matches its light weight and compact appearance.

A pleasure to carry d attractive the Epson EB-1700

Being so light and attractive the Epson EB-1700 Series deserves a stylish protective carrying case. Accessories are held securely and are accessible in seconds.

Epson 1700 Series

The Epson EB-1700 Series offers you a mix of XGA and WXGA resolution.

The wide screen (1280x800) resolution is the same as most laptop/PCs so the projector is ready to project exactly what is on your screen without the need to adjust settings.

WXGA offers 30% more space compared to XGA (1024x768) resolution.
