EP738

Bright, Quiet and so Versatile

The EP738 mobile projector, designed for ease of use and versatility. With auto set-up and built in memory modes, it is easy to achieve the best quality display in any application, be it in boardrooms, in schools or movies at home. The brilliant images speak for themselves yet the projector cannot be heard thanks to the near-silent cooling system.

- Brightness of **1700 lumens**, for presentations in any environment
