3500 Lumens

At 3.96 pounds the Casio Super Slim™ projector won't weigh you down.

Casio Super Slim projectors take the hassle out of travel so you can be the ultimate road warrior. At just under four pounds, it's lighter than most laptops so it won't weigh you down. At **1.7" thick** its thin profile will make packing for travel a breeze...forget the extra bags, just stow it away in your briefcase.

Traveling with the Casio Super Slim couldn't be easier - whether you use your laptop, or the PC free option.

2X
Power Zoom

Short Throw Power Zoom and Focus Lens

Whether you are in a small office or a large boardroom the Super Slim's 2X power zoom lens gives you the flexibility to easily position the projector. Large screen projection is possible in any room and the short throw lens (1.4-2.8 throw ratio) can project an image from as close as 3' and up to 28' back. Image adjustment can be easily made from the remote control or an RS-232 control system.

RS-232 Control Connectivity

No more compromising. Casio's Super Slim projectors incorporate RS-232C control for easy system integration. The Super Slim's low profile and elegant design looks great in any Boardroom Conference or Classroom. Compatible with industry standard control systems (AMX, Crestron and Extron) the Super Slim projectors boast an available command set which includes Power On/Off, Input select and Lens Zoom and Focus.

Ceiling mount commercially available (sold separately).

RS-232 cable included.
