

Epson EB-S92

PRODUCT GUIDE

A combination of affordability, lightweight design and great functionality make this the ideal projector for any home environment.

There's no need to watch films in the dark as this projector series combines White and Colour Light Output (CLO) of 2,300 lumens with 3LCD technology for perfect picture quality, natural images and excellent brightness.

The ultimate in user-friendly projectors, it's ideal for even the smallest living room as users can project large images from a short distance. It's also easy to align slides and correct distortion with manual vertical keystone correction.

Start watching a film instantly thanks to the straightforward set-up features including quick-start and instant-off.

Keep running costs down with the E-TORL lamp lasting 5,000 hours and protect the projector from theft with a range of security features including a Kensington lock.

Transport your projector between rooms with style and ease, thanks to the optional carrying case.

KEY FEATURES

- USB Display for fuss-free presenting
- Quick start-up and instant-off functions
- Vertical keystone correction
- 5000 hours E-TORL long-life lamp
