

NEC M300XS

ORDER CODE: 60003076

NEC M300XS Professional Short-Throw Projector

Get great performance while saving the environment. Advanced Eco features help to substantially lower your operating cost without compromising on quality and flexibility. Less shadow and glare gives the presenter more space to engage with his audience enhances the experience with interactive white boards.

The M300XS is particulary suited for classrooms and small to medium sized meeting rooms.

DELIVERING GENUINE BENEFITS

Get Great Performance while not compromising on quality and ease of use.

Save the Environment with latest Eco technology by minimizing your power consumption and consumables replacements.

Large Flexibility in positioning the projector and minimized cost for replacements.

Intuitive Use of latest Eco and projection technology due to user-centric design.

Peace of Mind with future-proof connectivity.

Wide Format allows you to enjoy extra space in presentations and other office files.

Less Shadow and Glare - not standing in the light beam gives you more space to engage with your audience when presenting.

OUTSTANDING PERFORMANCE

- **Short-Throw Projection** with 0.47:1 throw ratio
- Minimized Cost of Ownership due to long lamp life and filter cleaning intervals
- Innovative ECO Functions to reduce power consumption
- Great Connectivity due to numerous analog and digital connection terminals as well as network capability
- Intuitive and Easy Operation with user centric design

SPECIAL CHARACTERISTICS

Auto Eco Mode; Auto Power ON/OFF; Automatic and manual Keystone Correction (V= +/-20°); Carbon Savings Meter; Colour Management; Content Transmission via Network; DICOM Simulation; Direct Power-Off Function; High Altitude Mode; Kensington security slot; Keypad Lock; Magnify; Off-Timer; Optional User Logo; Optional WLAN; OSD with 27 languages; Password Security System; Quick On/Off; Remote control and administration via LAN and RS232; Security Bar; USB Viewer for JPEG; Virtual Remote for direct PC control; Wall Colour Correction

ECO Innovation: Auto ECO Mode; Green one touch ECO

and AV mute button; 75% AV mute

function

Energy Efficiency: ECO scheduler; Intelligent Power

Management; Longer lamp life; Reduced power consumption. Only 0.4W stand-by;

Software scheduling

Ecological Materials: 100% recyclable packaging;

Downloadable manuals; ECO packaging

Ecological Standards: EuP compliant; RoHs compliant
