

Weight 166g/0.37lbs	Lamp Life 20000hrs	Multimedia Reader	USB Slide Show	Digital Connectivity HDMI™	Battery Life 2hrs
Contrast Ratio 2000:1	Noise Level NO	MicroSD Card Reader	Power Saving ECO Mode	Brightness 20ANSI	

The Acer C20 LED pico projector is ultra-lightweight and supremely convenient, fitting easily in your pocket. Carry it along with a USB drive or microSD™ Card and you can present anywhere, even without a PC. A 2-hour battery gives you plenty of time to beam videos, photos and on-the-spot business presentations in various formats, and a mini HDMI® port enables easy connectivity to HD peripherals.

Weight	166 g (0.37 lbs.)

Portable screen¹

Lightweight and foldable, the 15" screen is easy to carry.

¹ Optional.

Acer SmartFormat Technology

Conveniently supports comprehensive wide-format PC signals. Users no longer need to worry about annoying "Signal not supported" issues, nor must they change the resolution of their wide-format notebook.

Acer ECO Mode

Enabled Acer ECO mode extends the lifespan of LED and reduces power consumption when the ambient light does not require full illumination.

Acer ColorSafe

Acer projectors featuring ColorSafe are virtually immune to color decay, such as the yellow or green tint on images displayed by some projectors that have been used for extended periods of time. Acer projectors take advantage of DLP® technology to guarantee picture integrity despite prolonged use. Extended lifespan and consistent image quality lower total cost of ownership and translate to big savings.

About Acer

Since its founding in 1976, Acer has constantly pursued the goal of breaking the barriers between people and technology. Focused on marketing its brand-name IT products around the globe, Acer ranks as the world's No. 3 vendor for total PCs and No. 2 for notebooks, with the fastest growth among the top-five players. A profitable and sustainable Channel Business Model is instrumental to Acer's continued growth, while the successful mergers of Gateway and Packard Bell complete the company's global footprint by strengthening its presence in the U.S., and enhancing its strong position in Europe. Acer Inc. employs 5,000 people worldwide. 2007 revenues reached US\$14.07 billion. See www.acer.com for more information.
