

Acer U5200

The Acer U5200 can project a 77" image from a distance of just 13 cm, for great flexibility. 3D capability is also featured, along with networked management tools. And, a foldable cover protects the lens from dust and damage.

Ultra-short-throw versatility, efficient networked control

acer

Product Specifications

Model name	Acer U5200
Projection system	DLP®
Resolution	Native XGA (1024 x 768) Maximum UXGA (1600 x 1200), 1080p (1920 x 1080)
Aspect ratio	4:3 (native), 16:9
Contrast ratio	4200:1
Brightness	2500 ANSI lumens (standard), 2000 ANSI lumens (ECO)
Lamp life	3500 hours (standard), 5000 hours (ECO)
Projection lens	F = 2.65 mm, f = 3.50 mm Manual focus
Throw ratio	77" @ 13 cm (0.30:1)
Keystone correction	+/-40 degrees (vertical), manual
Noise level	33 dBA (standard mode), 27 dBA (ECO mode)
Input interface	Two analog RGB/component video (D-Sub), composite video (RCA), S-Video (mini DIN), two HDMI® (video, HDCP), PC audio (3.5 mm stereo mini jack), two USB (type A), mini USB (type B), mic-in (3.5 mm stereo mini jack)
Output interface	Analog RGB (D-Sub), PC audio (stereo mini jack)
Network interface	Ethernet (RJ-45) port
Control interface	Mini USB (type B), RS-232 (mini DIN), 12 V DC (screen control)
Dimensions	16.6" x 13.6" x 5.5" (422 x 345 x 140 mm)
Weight	15.4 lbs. (7 kg)

Feature Highlights

Precise visuals

- Acer ColorBoost II+
- Acer ColorSafe II
- DLP® 3D Ready
- XGA (1024 x 768) resolution
- 2500 ANSI lumens brightness and 4200:1 contrast ratio
- 3X color-wheel rotation speed

Proficient flexibility

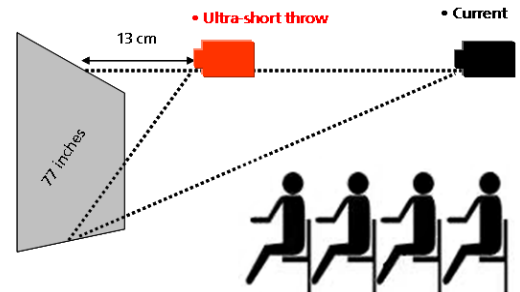

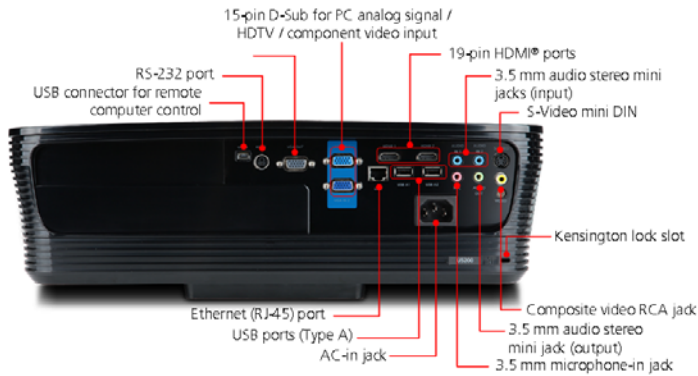

- Ultra-short-throw projection
- Acer Top-Loading Lamp design
- Display over USB
- 40° vertical keystone correction
- Installation Menu
- USB Slide Show
- Dual-HDMI® digital connectivity
- Dual D-Sub input
- Multi-PC connection
- Foldable, protective cover
- Two internal 10 W speakers

Empowering usability

- Acer eView Management
- Acer eTimer Management
- Acer eOpening Management
- Acer ePower Management
- Acer SmartFormat
- Crestron® network control
- Instant Pack
- Instant Resume
- Quick Start
- Security PIN
- SmartDetection
- Wall-Color Compensation
- Windows® 7 compliance

Earth-caring functionality

- Longer lamp life — up to 5000 hours
- ECO mode
- Auto shutdown
- 1 W power consumption in standby mode
- Low noise level

Ultra-short-throw projection

The Acer U5200 features an advanced mirror-reflection system that enables projection of clear, large images up to 77 inches diagonal even while the projector is positioned as close as 13 cm from the screen. The shorter throw distance reduces harm to the eyes, eliminates shadowing, and maximizes space. The unique foldable cover protects the lens against dust and damage, whether the projector is ceiling-mounted or in transit.

Acer ColorBoost II+

Acer ColorBoost II+ is an advanced technology that refines waveform to improve color performance based on lamp spectrum and color wheel properties. ColorBoost II+ (1) improves natural color temperature to achieve optical color balance, and (2) enhances color brightness according to content by working with Acer eView Management, which provides scenario modes with a color-specific refined waveform.

Acer ColorSafe II

Acer projectors featuring ColorSafe II are virtually immune to color decay, such as the yellow or green tint on images displayed by some projectors that have been used for extended periods of time. Acer projectors take advantage of DLP® technology to guarantee picture integrity despite prolonged use. Extended lifespan and consistent image quality lower total cost of ownership and translate to big savings.

About Acer

Since its founding in 1976, Acer has achieved the goal of breaking the barriers between people and technology. Globally, Acer ranks No. 2 for total PCs and notebooks. A profitable and sustainable Channel Business Model is instrumental to the company's continuing growth, while its multi-brand approach effectively integrates Acer, Gateway, Packard Bell, and eMachines brands in worldwide markets. Acer strives to design environmentally friendly products and establish a green supply chain through collaboration with suppliers. Acer is proud to be a Worldwide Partner of the Olympic Movement, including the Vancouver 2010 Olympic Winter and London 2012 Olympic Games. The Acer Group employs 7,000 people worldwide. 2009 revenues reached US\$17.9 billion. See www.acer-group.com for more information.
