

### **Epson EH-TW480** HOME CINEMA PROJECTOR

### **Big-screen performance at a brilliant value.**

Get big-screen entertainment with the EPSON<sup>®</sup> EH-TW480. This affordable, HD720p, widescreen projector makes it easier than ever to enjoy movies, games and sporting events at up to 120" in the comfort of your own home. With its 3LCD, 3-chip technology, you get rich, vibrant images for a true cinematic experience. And, with 2800 lumens of color and white light output,<sup>1</sup> images will shine in any room. Share photos from your computer via the USB connection. Setup is easy with its 1.2x optical zoom, customizable color modes and easy-slide horizontal image correction. And, it's easy for anyone to install. The EH-TW480 is even energy efficient with a long-life E-TORL<sup>®</sup> lamp that lasts up to 5000 hours.<sup>2</sup> That means you save on expenses, without sacrificing quality.

**Super bright and colorful** – 2800 lumens color light output, 2800 lumens white light output<sup>1</sup> with advanced 3LCD, 3-chip technology

**720p, High-Definition, widescreen performance** – for movies, games and more **Easy setup** – 1.2x optical zoom, automatic vertical keystone (+/- 30 degrees) correction, easy-slide horizontal image correction

# Epson EH-TW480 HOME CINEMA PROJECTOR

### The best-selling projectors in the world.

Epson offers a wide range of high-quality projectors to meet almost any need. Built with image quality and reliability in mind, EPSON projectors enhance communication and inspire collaboration, while offering a low total cost of ownership. From ultraportable projectors designed for educational settings to boardroom-ready business projectors, Epson has a model that's perfect for you.

### Spectacular quality and color with **3LCD technology**

### Innovative technology with proven reliability

- 3 chips for full-time, vibrant color
- 25% less electricity required per lumen of brightness when compared to 1-chip DLP projectors<sup>3</sup>
- Over 20 years of road-tested reliability built into every projector

### Energy-efficient E-TORL lamp, exclusively from EPSON

- Delivers more lumens per watt and lasts up to 5000 hours<sup>2</sup>
- Minimizes both light diffraction and light leakage
- E-TORL lamps maximize vour viewing time, while minimizing your costs

### **Brilliant widescreen** performance

ultimate in power and convenience.

Ideal for use with widescreen computers or to display HD video content, this projector features widescreen WXGA (1280 x 800) resolution. Its 16:10 aspect ratio allows you to fully utilize the capabilities of your widescreen notebook, giving you 30 percent

more usable area than a regular 4:3 image and 10 percent more than a 16:9 image. And, the EH-TW480 still offers the flexibility of displaying 4:3 and 16:9 images, as needed. It's the

- 2800 lumens color light output and 2800 lumens white light output<sup>1</sup>
- High color light output for bright, balanced, colorful images
- Light output and performance to meet your expectations

### EPSON - 3LCD

High color light output

Low color light output

Actual photographs of images taken from two competing projectors run in default mode. Price, resolution and brightness (white light output) are the same for both projectors

### Versatile connectivity

Just plug in your Apple<sup>®</sup> device, smartphone, PC, gaming console or other digital device, and share your favorite content.<sup>4</sup> Use your Nintendo<sup>®</sup> Wii™, Microsoft<sup>®</sup> XBOX™, Sony Playstation<sup>®</sup>, PC, Mac<sup>®</sup>, TV receiver, DVD player, Android<sup>™</sup> and more. (cables not included)

### **Eco Features**

- Energy-efficient 3LCD light engine
- Energy-efficient E-TORL lamp
- Recyclable product

### Amazing light output

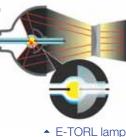

Other - DLP

EPSON Projector

### Better Products for a Better Future

For more information on Epson's environmental programs, go to www.epson.com.au/company/environment

### **User friendly**

### Easy setup and picture adjustments

- Flexible setup place on a table or in an entertainment center, or mount on the ceiling
- Flexible positioning place the projector 1.1 to 10.7 metres from the wall or screen
- 1.2x optical zoom for added positioning flexibility
- +/- 30 degrees auto vertical keystone correction allows for easy adjustments when the projector is placed above or below the center of the projection screen
- Built-in color modes make easy picture adjustments to suit your viewing environment

## Horizontal image correction with easy-slide control technology

Epson's horizontal and vertical image (keystone) correction means you can project a rectangular image from almost any angle. The EH-TW480 automatically corrects the image vertically. And, for horizontal image correction, just move the easy-slide control bar to make the necessary adjustments.

Without horizontal image correction

With horizontal image correction control bar

## HDMI input for high-quality,

- Deliver both audio and HD video content with just one cable
- Compatible with the latest laptops, Blu-ray® and media players

### **Content at your fingertips**

Whether you use the touchscreen of your Apple device, or the remote control or control pad of another device, the EH-TW480 makes it easy to instantly share your videos, photos and more on a big screen.

### Built-in sound from a portable projector

The EH-TW480 built-in speaker delivers sound for your music, movies, games, presentations and more.

### **Epson EH-TW480 Features**

HD

• 720p, High-Definition, widescreen performance – for movies, games and more

Color and white light output will vary depending on mode selected. White light output measured using ISO 21118 standard.

- 2
- Lamp life will vary depending upon mode selected, environmental conditions and usage. Lamp brightness decreases over time. Data source: ProjectorCentral.com Jan. 2012. Average of 1122 shipping models for which the manufacturers provided lumens and total power data, all resolutions and 3 brightness levels. Energy efficiency was measured as wattage per lumen. It was measured for both 3LCD and 1-chip projectors in each of five brightness segments.
- 3LCD projectors averaged less required electricity per lumen in each of the five segments. 4
- Functionality may vary depending on hardware, application, and/or provider restrictions or limitations. Devices and cables not included
