KNOWLEDGE IS POWER, SHARE YOURS

Whether you're presenting or simply capturing information in a group meeting, you won't want to be without the Proxima® DP1000x. 1100 powerful lumens flood any room with brilliant color and unparalleled clarity. Integrated data, video and audio yield a projector that's ready to make your multimedia presentation larger than life.

OVERACHIEVER, UNDER BUDGET

We squeezed a full-featured projector into a convenient package that won't blow your budget. Overachieving? Maybe. Affordable? Absolutely. A great investment for you and your company, the DP1000x raises the bar without raising the price. It's a powerful collaboration tool that makes meetings efficient and more portable than ever.

BUSINESS TOOL AND TRAVELING COMPANION IN ONE

The must-have DP1000x combines seamless connectivity, exceptional image quality and rich multimedia performance in an intuitively designed solution. The result? You get the best of all worlds in a smaller, more powerful projector that enables you to collaborate anywhere.

CHANGING THE WORLD ONE MEETING AT A TIME

There's a reason "Mine" was your first word. An ideal partner to your notebook PC, the DP1000x completes your personal cutting-

Optimized for performance and portability

edge suite of digital tools. Deliver your message with a tool that's proven to yield higher information retention rates. Weighing only 2.4 lbs/1.1 kg it can go wherever you go, making it easy to share information at a moment's notice. Your colleagues, your boss, your team—everyone will benefit from the DP1000x.

A built-in DVI connector gives the DP1000x seamless digital-to-digital connectivity. And it's EDTV (Enhanced Definition Television) compatible—you can reap the benefits of enhanced resolution images anytime and project them with ease.

Budgets have limits. Collaboration shouldn't.

GREAT MINDS THINK ALIKE

Like you, the DP1000x makes a great impression. Its sleek, savvy design turns heads before you turn it on and its compact size makes it the must-have tool for any meeting with 2 or more people. Outstanding image quality communicates your message efficiently and effectively.

FEAST YOUR EYES ON A NEW WAY TO COLLABORATE

Meetings will never be the same again. The Proxima DP1000x puts the focus on your ideas

wherever you are. Change rooms, change audiences, change cities —the compact DP1000x provides flexibility for any environment.

WHAT GOES UP MUST COME DOWN

The DP1000x is optimized for quick setup. Setting up before and taking down after a meeting has never been easier. No sales force or conference room should be without one. As a personal business tool the DP1000x is optimized for performance and portability.

INTUITIVE DESIGN, IMPRESSIVE FEATURE SET

Exclusive ProjectorManager™ control software allows projector control via the PC, enhanced presentation effects, even logo and startup screen customization. Adjust/control source, color, tint, brightness and keystone quickly and easily. And should you need IT support ProjectorManager sends a snapshot of the projector information so you don't have to waste time looking for information or guessing which projector model you have. ProjectorManager even provides power users the ability to freeze the projected image for changes without distracting others looking at the screen. Picture-in-Picture for multiple sources, magnification to enlarge key areas of a file or masking to reveal images one piece at a time. With a Proxima projector—you're in control.

TECHNICAL SPECIFICATIONS

Native Resolution	• XGA 1024 x 768
Display Technology	• DLP™ by Texas Instruments: 0.7" XGA DMD DDR
Input Sources	• Computer (M1-DA), video (S-Video and RCA), audio (3.5 mm mini jack)
Data Input	
Compatibility/Formats	• VGA through SXGA, 1152, Macintosh®
Video Input	• NTSC 3.58, NTSC 4.43, PAL (all),
Compatibility/Modes	• SECAM (all), SDTV (480i), EDTV (480p)
Brightness	• 1100 ANSI lumens
Contrast Ratio	• 800:1 full on/full off
Lamp	• 120-Watt UHP/2000 Hours
Digital Keystone Correction	• ±15° vertical correction; data/video
Image Offset	• 110%
Projection Lens	• Zoom lens with manual focus and manual zoom adjust
Throw Ratio	• 1.85 – 2.35:1
Minimum Projection	
Distance (std lens)	• 1.5 – 10m (full optical performance 2.0 – 6.0m)
Aspect Ratio	• 4:3 (native); 16:9 (video, data)
Audible Noise	• 32dB
Number of Colors	• 16.7 million colors
Image size (diagonal)	• 2.7' /0.8m (min) – 22.2' /6.8m (max)
Projection Methods	• Front/rear
Audio	• 3.5 mm mini-jack; 1-Watt speaker
Connectors	• VESA M1-DA, composite video, S-Video, Mini-jack audio
Control	• Projector keypad; IR remote control; Wired control through USB
Dimensions	• 2.5" (H) x 6.1" (L) x 7.8" (W)
(maximum dimensions)	63.4 mm (H) x 148.8 mm (L) x 199 mm (W)
Weight (standard)	• 2.4 lbs/1.1 kg
Power Supply	• 100V – 240V at 50 – 60 Hz
Power Consumption	• 155 – Watt
H-Synch Range	• 15 – 100 kHz
V-Synch Range	• 43.5 – 130 Hz
Pixel Clock	• 12 – 135 MHz
Operating Temperature	• 5° – 35° C at sea level (0 – 10,000'); 41° – 95° F
Menu Languages	• English, Norwegian, Spanish, Italian, Portuguese, German, French, Chinese (simple), Chinese (traditional), Japanese
Lamp Warranty	• 90 days or 500 hours, whichever comes first
Warranty	• 2 years parts and labor

Ships Standard With:

- **Wireless BatMouse IV remote control (including batteries)**
- **Power cord (national and regional variants)**
- **M1-A analog computer cable with USB**
- **Composite video cable**
- **Audio cable**
- **Soft carry case**
- **Projector System CD CD includes: multi-language user guide, Quick Start Guide, ProjectorManager™ control software, ProjectorManager Installation Guide, ProjectorManager User Guide**
- **Quick Start Card**
- **Lens cap**
- **User Guide**
- **Safety instructions/warnings**
