EPSON
EXCEED YOUR VISION

An extensive projector series for your unique presentation needs – now within your reach

WORLD's
No. 1
PROJECTORS
10 Years Running*
2001-2010

* Source: Futuresource Consulting

This versatile projector series harnesses Epson's latest 3LCD technology to deliver impeccable, high-quality images for powerful school and office presentations. With a varied selection of projector models to choose from, you are sure to find one that will suit your needs and offer great value for your money.

- **Enjoy versatility of use**
With the first-ever sliding Horizontal Keystone Adjuster and the automatic vertical keystone detector and adjustment, presentation set-up is made fast and easy, even for beginners
- **Accomplish more with less**
With the built-in HDMI terminal, projecting high-quality images and sounds, and creating impactful PC-less slideshows are made possible
- **Experience added convenience**
With the 3-in-1 USB display, you gain easy access to control, image and sound transmission without the messy cabling
