

EB-G6570WU

DATASHEET

Deliver sharper, clearer presentations with this powerful 5,200-lumen WUXGA installation projector with 3LCD technology and a range of innovative features

The EB-G6570WU is a professional installation projector ideal for corporate environments, education applications, rental markets and digital signage. Important presentations and sales campaigns are delivered with rich, vivid colours - even in daylight, thanks to Epson's 3LCD technology and equally high White and Colour Light Output. The projector can even be placed in difficult positions thanks to a number of innovative installation features.

Ensure superb quality and the best possible delivery of presentations with the EB-G6570WU. This 5,200-lumen projector includes Epson's 3LCD technology and high brightness to display images with more accurate colours and clearer detail. A new enhanced standard lens helps reduce flare and improve focus. Set-up and installation is simple and straightforward. A wide lens shift allows easy placement of the projector, even in difficult positions, without distorting or blurring the image. In addition, a powerful zoom lens, as well as manual vertical keystone correction and centred lens, make it even easier to set-up in various positions. The projector can also be rotated vertically by 360 degrees allowing images to be projected directly onto the ceiling and the floor¹.

The EB-G6570WU also includes a number of innovative features. Edge-blending enables a number of projectors to work together seamlessly to project a large, widescreen image. Five devices can also be connected to the projector through the HD-BaseT input using a 100m cable. With the HDMI input, users can connect to a variety of high definition devices to deliver high-quality content effortlessly. Frame Interpolation ensures video footage is sharper and images are clearer with smoother, more fluid screen movement.

KEY FEATURES

- **Ultra-bright output**
Equally high 5,200lm White and Colour Light Output
- **High-quality image**
3LCD technology, WCLO, colour uniformity, enhanced standard lens
- **Flexible installation**
Wide lens shift, manual vertical keystone correction
- **Easy to set up**
HDBaseT and HDMI connectivity.
Compatible with Epson EB-G5 series lenses²

Projection Lens F Number	1.65 - 2.55
Focal Distance	21.28 mm - 37.94 mm
Focus	Manual
CONNECTIVITY	
Interfaces	HDBaseT, Cinch audio out, Stereo mini jack audio in (4x), Stereo mini jack audio out, S-Video in, BNC in, Composite in, Display Port, HDMI in, VGA out, VGA in, Wireless LAN IEEE 802.11b/g/n (optional), Ethernet interface (100 Base-TX / 10 Base-T), RS-232C
ADVANCED FEATURES	
Features	Frame interpolation, Freeze image, Instant on/off, Network administration, Network image transmission, Split-Screen-Function
GENERAL	
Energy Use	504 W, 405 W (economy), 0.41 W (standby)
OTHER	
Warranty	36 months On site service or 15,000 h, Lamp: 36 months or 1,000 h Optional warranty extension available

LOGISTICS INFORMATION

SKU	V11H700041
EAN code	8715946548616
Dimensions Single Carton	762 x 432 x 324 mm
Carton Weight	12.9 Kg
Multiple Order Quantity	1 Units
Country of Origin	China
Pallet Size Euro	7 Units
Pallet Size Block	7 Units

EB-G6570WU

WHAT'S IN THE BOX

- Remote control incl. batteries
- User manual (CD)
- Power cable
- Lens cap
- HDMI Cable Clamp
- Computer cable
- Cable cover

OPTIONAL ACCESSORIES

- 3D Polarizer - ELPL01
V12H618A01
- Wireless LAN Adapter (b/g/n) - ELPAP07
V12H418P13
- Quick Wireless Connect USB key - ELPAP09
V12H005M09
- Ceiling Mount (White) - ELPMB22
V12H003B22
- Lamp - ELPLP76
V13H010L76
- Air Filter - ELPAF43
V13H134A43

OPTIONAL LENSES

- Lens (ST Off Axis) - ELPLU01
V12H004U01
- Lens (Rear Wide) - ELPLR03
V12H004R03
- Lens (Middle Throw 2) - ELPLM05
V12H004M05
- Lens (Middle Throw 1) - ELPLM04
V12H004M04
- Lens (Long Throw) - ELPLL06
V12H004L06
