The new SIM2 DOMINO delivers an outstanding image quality synonymous to SIM2 Multimedia and has many distinguished features: blacks & whites are exceptional on and off screen, creating an impressive depth of vision; a true cinema experience can be created with the addition of a long throw lens, allowing the projector to be positioned behind the viewer - equally, the projector is so versatile, it can be placed on a bookshelf or installed on the ceiling opposite the screen; an exceptionally quiet mechanical design has been developed by SIM2 for extremely low acoustic noise.

# It's in black and white...

# ...Outstanding home theatre!

The perfect synergy between high quality video projection and audio hi-fi, will transform your living room into a movie theatre, sports stadium or even the front row of an opera house or concert hall. The projector, an essential part of any true home theatre concept, can create the ultimate viewing experience, changing your perception of home theatre forever. The digital home theatre revolution is here, bringing with it an awesome combination of digital surround sound and big screen picture with a clarity and fidelity never before achievable in this exciting evolving industry.

DOMINO we lead,  
others follow.

# Picture perfect.

Digital Light Processing is the cinema standard to project film & video and is based on the DMD™ developed by Texas Instruments. DLP™ technology delivers bright, crisp and precise image clarity with superior resolution and colour rendition.

DOMINO  
by SIM2

Add a touch of high-tech elegance  
to your home.

# Connect a world of possibilities.

DOMINO features a wide selection of inputs, enabling connection to all video and PC devices and complete compatibility with all video sources including high definition ATSC with both 4:3 and 16:9 display modes.

## Sit back, relax & enjoy the action.

■ Easy to install.

■ Easy to use.

■ Easy to enjoy.

DOMINO  
by SIM2

Big screen,  
feel the passion.

■ The best white:  
Superior optics  
and white uniformity.

■ The best black:  
Optimum contrast  
and black level detail.

DOMINO  
by SIM2

Even in black  
and white.

## Technical features.

### Domino 20 - Domino 30

#### LIGHT ENGINE

DLP™ type: Proprietary sealed optical engine based on 1-chip DMD™  
 Resolution: 1024x576 pixels (Domino 20)  
 1280x720 pixels (Domino 30)

Lens: High quality, high resolution optics with both motorised zoom and focus adjustments

Throw ratio Domino 20: 2.2 - 3.1:1 (16:9 mode)  
 3.0 - 4.1:1 (4:3 mode)

Throw ratio Domino 30: 1.8 - 2.4:1 (16:9 mode)  
 2.4 - 3.0:1 (4:3 mode)

Lamp power consumption & life time: 120W, 6000 hours\*

#### INSTALLATION

Lens shift: +/-8°

Digital keystone adjustment: +/-38° ver., +/-14° hor. (Domino 20)  
 +/-19° ver., +/-12° hor. (Domino 30)

Picture size: 50-250 inches diagonal

Aspect Ratio: 4:3, 16:9, anamorphic, letterbox plus  
 3 custom-user adjustments + panoramic & pixel to pixel

#### ELECTRONICS

Horizontal & vertical scan freq.: 15-80 KHz/48-100 Hz

Safety – in compliance with EN 60950/UL1950  
 Emission – in compliance with EN 55022 class  
 B/150 KHz – 30 MHz  
 Recyclable packaging

#### SUPPLIED ACCESSORIES

AC power cords (EU,UK, and USA) length 3m  
 User standard remote control with batteries  
 Installation and user manual

(\* ) Lamp life: the hours have been calculated under strict test conditions.  
 Misuse or improper conditions may alter it.
