Delivering Outstanding Performance at an Amazing Value

## Small, Light & Bright. Dell makes high performance projectors affordable.

Dell's family of projectors serves up the perfect blend of brightness and excellent features. Designed for maximum performance and portability, they come equipped with Digital Light Processing (DLP) technology to deliver picture-perfect presentations. Compact sizes make them ultra-portable and convenient to display virtually anywhere. Tested and qualified with Dell™ notebooks and Microsoft Windows® operating systems, these feature-rich projectors come with excellent connectivity, supporting PC, multiple video inputs, and a full range of television and video standards, including HDTV. Amazingly affordable, Dell's projectors fit the needs of any budget. Perfect for the office, classroom and home entertainment.

With Performance, Value, Mobility, and Ease of Use, Dell makes it all come together. The latest technology at the best price. **Who says one system can't do it all?**

- **Outstanding picture quality:** Incredible brightness and super-high contrast ratio with DLP™ (DDR) technology
- **Great connectivity:** Including PC, S-Video, Composite Video, Component Video (HDTV) and RS-232 connectors (on the 4100MP, 3300MP and 2300MP projectors)
- **Amazing value:** Low Total Cost of Ownership, ships with drop-tested case, all cables, and remote control
- **Long lasting:** Eco-mode increases lamp life up to 5000 hours (on the 3300MP)
- **Fantastic warranty:** Up to three year limited warranty<sup>5</sup> with Advanced Exchange Service<sup>6</sup> and Complete Care<sup>7</sup> options available
- **Compatibility:** Tested and qualified with Dell notebooks and equipped with Auto-sync technology, makes connecting the projector a breeze
- **Ultra-portable:** Compact and lightweight, starting at 3.99 lbs, take them anywhere!
- **Quiet:** Low noise output so the audience can hear you, not the projector
- **Ease of Use:** Preset and user-defined video modes allow for optimum video and graphic settings, adjustable zoom and interactive LCD screen help make delivering presentations easy
