EPSON°

Epson PowerLite[®] 81p

A bright XGA performer that truly makes the grade.

Offering sharp, accurate detail with remarkable XGA resolution, plus a host of high-performance features, the Epson PowerLite 81p is ideal for virtually any presentation. Its flexible connectivity and powerful 5 watt audio make this projector perfect for any classroom or board room.

Epson high-aperture LCDs work with its brilliant 2000 ANSI lumens to deliver accurate color, superior color saturation and remarkable image quality in any setting. And, with four input connections, plus automatic source selection, setup and operation couldn't be easier! Just plug it in, and you're presenting within seconds.

With whisper-quiet operation, unbeatable reliability and a convenient carrying case, the Epson PowerLite 81p ensures quality presentations that really make the grade.

Ultra bright 2000 ANSI lumens for presentations in any setting

• Works great in large conference rooms and classrooms

Superior image quality and performance

- Three Epson high-aperture LCDs for greater color depth and color accuracy
- XGA (1024 x 768) resolution for vibrant images with precision color and detail

Easy setup and operation

- Color-coded cables make setup a breeze
- Audible power-on and -off beeps respond to user commands
- Quick start-up time avoids presentation delays and reduces presentation jitters
- Source search function automatically displays the connected input source(s) and switches instantly between various sources
- +/-15° digital keystone correction automatically engages without manual adjustments
- Optical zoom lens for flexible placement and positioning
- Monitor out capability to display images on a monitor and screen simultaneously
- Password-protected security features, plus operation lock prevent against unauthorized use
- Full-featured remote control, including mouse emulation functions and an electronic pointer for complete presentation control
- Soft carrying case included

Great audio and connectivity

- Powerful 5W audio so there's no additional audio expense
- Audio out (audio follow-through)

- No costly expansion modules needed; two computer and two video inputs with dedicated audio for each
- Third-party network monitor and control management capabilities via the RS232C port

State-of-the-art video performance

- Two video inputs for composite, component (optional cable required), and S-video compatibility
- HDTV-ready; supports 480i, 480p, 720p, and 1080i formats

Quiet and unobtrusive

- Whisper-quiet operation (36db/30db) ensures the presentation is the center of attention
- Cooling fan located in front for a comfortable viewing experience
- Lamp and air filter access on top of the projector for easy changes, even when the projector is ceiling mounted

Outstanding Epson service and support (free for the duration of the two-year warranty)

- 90-day lamp warranty for added dependability
- Epson Road Service program provides a replacement projector, typically within 24 hours
- Epson PrivateLineSM dedicated toll-free support line available from 6 a.m. to 6 p.m. PST Monday – Friday (Calls are answered live, typically in about a minute.)
- International warranty in over 45 countries, exclusively from Epson
