

Play Big IN81

Full-HD 1080p

..... InFocus

Something spectacular.

Expand the horizons of your home theater experience with the Play Big IN81 full-HD 1080p projector from InFocus. Featuring DLP® technology from Texas Instruments and Pixelworks™ DNX 10-bit video processing, the IN81 delivers the out-of-the-box, film-quality color fidelity InFocus is known for, without compromising contrast ratio, brightness, or subtle grayscale details. Future-proof HDMI 1.3 supports Deep Color™ and can display up to 1.07 billion colors without color banding artifacts for a smooth, lifelike picture. Whatever you're watching --- whether your favorite HD-DVD or Blue-ray™ movie, sports on ESPNHD, or Discovery HD Theater's "Shark Week" --- you will be completely awed when it's displayed in perfect clarity on a huge screen with the IN81

InFocus Play Big IN81 Features:

- Native 3000:1 contrast ratio. Maximum 10000:1 contrast using iris.
- Video optimized brightness up to 1400 Max ANSI lumens.
- Connect to any HD video source using HDMI, DVI and Component inputs.
- Swivel base allows simple setup on tabletop, or removes for ceiling mounting
- Sleek and elegant with a piano black finish to complement any room

The Play Big remote control is
a model of simplicity,
functionality, and good looks.

Enduring Quality

If you're happy, InFocus is happy. That's why the InFocus Play Big IN81 projector comes with a standard 2-year limited factory warranty (including parts and labor), a zero-dead-pixel guarantee and a 6 month lamp replacement warranty.
