Model			
	Epson EMP-6110		
Specifications			
Projection system (3LCD)	0.8-inch non MLA (x3) TFT		
Native resolution	XGA (1024x768)		
Resolution supported	VGA ~ UXGA		
Brightness	High/Low brightness mode: 3500 ANSI Im / 2700 ANSI Im		
Projection lens	Thigh 2011 Shighthood Hodds 5000 / 4101 Hill / 2700 / 4101 Hill		
F Number	1.75 - 2.42		
Focal Length	24 mm-38.2 mm		
Focus/Zoom type	Manual Focus / 1.6 X Optical Zoom		
Lens protection	Glass cover		
Lamp	Type: 230W UHE		
	Life: (Low/High brightness mode) 4000 hours / 3500 hours		
Filter Type	High efficiency cleanable		
Colour Reproduction	Full-Colour (16.77 million colours)		
Fan noise	· · · · · · · · · · · · · · · · · · ·		
	Low/High brightness mode: 33 dB / 39 dB		
Contrast ratio	600:1		
Screen size (Projection distance)	30 to 300 inch (0.83 to 14.69m)		
Keystone correction	Vertical: -30 to +30 degrees		
Input			
Computer	2xD-sub 15-pin (RGB)		
Video	2xD-sub 15-pin (component), 1xRCA, 1xS-Video		
Audio	3xStereo mini-jack, 2xRCA (White/Red)		
Output	Computer / Audio: 1xD-sub 15-pin / 1xStereo mini-jack		
Built-in speaker	Computer / Audio: 1xD-sub 15-pin / 1xStereo mini-jack 5 W monaural		
Control			
	RS-232C		
Network	1xRJ45 (LAN)		
Direct Power On/Off	Yes		
Security	Security bar/Kensington Lock hole		
Other functions			
	Source Search, Auto Detection of RGB, Operation Panel Protected Function, Password Protected Function, 8 Colour Modes, High Altitude Mode, User logo, Freeze, A/V Mute, E-Zoom, Help, AMX		
	Device Discovery, Remote ID Function		
Operating temperature / altitude	0 °C to 40 °C / 0 to 3,048m (High Altitude Mode over 1500m)		
Power supply wattage	100 - 240 V AC ±10%, 50/60 Hz		
Dower concumption laws on			
Power consumption lamp on (220/240 V area)	316W

Perfect projection even in the most demanding conditions

With the Epson EMP-6110 you can rely on superb picture quality and trouble free operation even in the toughest environments.

High quality, reliable projection

Wherever you are, from factories, workshops and clubs to theatres, lecture halls or sports arenas, the robust Epson EMP-6110 will deliver unparalleled quality and performance every time. To ensure a longer life the projector has a completely sealed casing and only clean air that has passed through the high efficiency electrostatic air filter is allowed for cooling.

Innovative, simple filter maintenance

In dusty or smoky conditions the air filter is critical. Our specially designed electrostatically charged filter is highly robust for a longer life. Our exclusive on-screen cleaning notification function is capable of sensing a clogged filter in advance and letting you know. And with only one intake of air at the side of the projector, the filter is simple to remove.

Notification Message (English version)

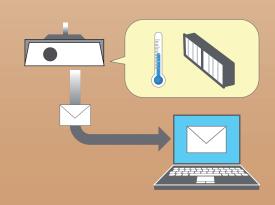

To clean the dust filter simply remove it and tap or vacuum.

Flexible monitoring and control

The Epson EMP-6110 is equipped with a network interface for easy monitoring and control. Our Epson EMP Monitor™ software enables you to configure and operate the projector remotely over your network. You can even set an e-mail alert for the inside temperature of your projector or filter status to prevent any possible problems disrupting your important presentations.

Perfect for ceiling mounted installation

Extensive connectivity options, network management, security features and ease of maintenance all make the Epson EMP-6110 ideal for mounting on the ceiling.

Easy to access lamp replacement even when ceiling mounted

Robust and reliable for high performance in demanding environments

- Perfect picture quality in any light conditions and any sized room with 3500 ANSI lumens and XGA resolution
- Bright, natural colours through Epson's 3LCD technology
- Keeps on working in the toughest conditions through sealed design and high efficiency electrostatic filter
- Low TCO* with up to 4000h lamp life (eco mode) and free accessories including ceiling mount kit, spare lamp and spare filter
- Advanced remote network monitoring and control with Epson EMP Monitor™

Ecological and economical

The Epson EMP-6110 gives you a low TCO*. With 3500 hours in high brightness mode (3500 ANSI lumens), its lamp life is unparalleled. Dust and smoke proof features protect the engine and guarantee a longer life whatever the conditions. In fact, your projector even comes with a special TCO pack includes a ceiling mount, spare lamp and dust filter free of charge so you have everything needed for long term trouble free operation.
