## HD29HST

Short throw HDR compatible Full HD 1080p gaming and entertainment projector

## Optoma

- Lights on viewing - 4000 lumens
- Short throw lens - 100" image from just over a metre away
- 4K UHD and HDR compatible
- Lightning-fast gaming projector - Supports 1080 p 120 Hz with 8.4 ms response time

Convenient and easy to set up, the bright and versatile HD29HST can project a 100" image from just over a metre away. It boasts HDR compatibility as well as delivering high contrast and accurate true to life colour reproduction. This compact projector is ideal for gaming, with support for 1080p 120Hz which provides a lightning-fast response time of 8.4 ms . You can even use it for watching live sport, TV shows and movies.

An integrated speaker provides great sound and two HDMI inputs enable an easy setup - perfect for connecting a laptop, PC, Blu-ray player, media streamer or games console. You can even turn it into a smart projector by connecting a 4K UHD HDMI dongle like the Google Chromecast™ , Amazon Fire TV or Apple TV™ to play games, stream videos and share photos on the big screen in the comfort of your own home.

Weighing less than 2.5 kg you can take it round to a friend's house with the optional carry bag for a sports event, movie night or games marathon for a big- screen experience anywhere with a flat surface.
