Epson
EH **TW5800**

Discover the future with the ultimate in Home Theatre Projection

With an impressive 75,000:1 contrast ratio and the most advanced state-of-the-art features, the HD Ready 1080p Epson EH-TW5800 delivers the ultimate in home theatre projection.

Pushing the boundaries

Epson 3LCD technology enhanced by the new 12-bit D7 panel, C2Fine and DEEPBLACK technology produce unrivalled high definition image quality.

75,000:1 contrast ratio, thanks to Epson DEEPBLACK technology, brings out the deepest jet black quality and detail in black tones.

Enhanced image processing from the HQV Reon VX video processor allows further high end features such as 4-4 Pull-Down to produce clear sharp film-like images.

Connected to the future

Equipped with two v1.3a HDMI inputs, the Epson EH-TW5800 is designed for you to benefit from High Definition broadcast and digital multimedia. Play Blu-ray and DVD movies, connect the latest HD games console or HD set top box.

Easy, flexible installation

Use the vertical/horizontal lens shift to project an excellent image from almost any location. The projector can be securely fixed to the ceiling and the supplied cable cover ensures that the installation is neat and tidy.

Perfect control

For Home Cinema enthusiasts who demand the very best image quality, the EH-TW5800 can be calibrated to match the Image Science Foundation certified standards and ensures that what you see on screen is exactly as the Director intended.

Real widescreen home cinema

Enjoy true cinema 2.35:1 wide format images without black bands at the top and bottom of the screen thanks to the Anamorphic Mode (requires additional Anamorphic lens).

Comprehensive Warranty

A premium class projector requires a premium class warranty. The EH-TW5800 has a five year in-home warranty and for convenience also includes a Saturday service. The lamp also has a five year warranty.
