### Audio

Integral stereo speakers provide portable convenience. Add an external sub-woofer for even greater impact. The digital audio output is ideal for connection to ultimate quality digital Home Cinema surround sound systems.

### SCART RGB

The SCART RGB feature makes it easy to get very high quality pictures from digital satellite, digital TV boxes or games consoles. If you want to watch the highest quality TV, sport or gaming pictures you need SCART RGB. A unique supplied SCART RGB adaptor enables inexpensive, very high quality, VGA type cables to be used to connect these devices to the MovieTime™ DVD100.
