Features

Crystal-Clear Quality

With a 5P camera sensor and 2K@30fps video resolution capability, the P2U allows you to magnify any objects and see every detail with amazing clarity.

One Press to Focus and Flip

The P2U is suitable for use in class and video conferencing. You can just single press one button to flip the live image and focus your face, textbook, and any objects at will.

Flexible Multi-jointed Arm

The P2U is equipped with a flexible multi-jointed arm, it can expand and collapse to the perfect angle allow you to see more details with a closer view.

Distance Learning Ready

UVC/UAC compliant and features a built-in mic. It can be used with all major video conferencing software such as Zoom, Microsoft Teams, and Google Meet.

Smooth Live Streaming

Whether you're doing an art demonstration or live streaming, leverage P2U's embedded built-in LED and microphone to spotlight your subject and listen in on the learning experience.

Large Shooting Area

The P2U equipped with an adjustable height mechanical arm. It allows you to capture larger documents, books, and present anything you want from any angle.
