- ❑ Compact and lightweight
- ❑ True S-VGA resolution
- ❑ Brightness - 700 ANSI lumens
- ❑ Remote control with laser pointer
- ❑ Picture freeze and digital enlarge
- ❑ 1:1.3 zoom lens

CP-S833

Multimedia
LCD Projector

CP-S833

700 ANSI lumens from a projector only slightly bigger than this page!

The CP-S833 combines ultimate portability with comprehensive features: zoom lens; remote control with laser pointer and mouse function; 2 RGB and 2 video inputs, plus multistandard operation.

Superb image quality is assured by Hitachi's advanced multilens system with optical integrator. Native resolution is S-VGA (800 x 600) and crisp, clear VGA and XGA images are also displayed using the built in intelligent resizing.

The CP-S833 is an international traveller offering automatic operation with PAL, NTSC or SECAM video and also S-video. Two excellent facilities are also included that will add a professional touch to your presentations. Picture freeze holds the last image on screen while the signal source is changed - avoiding a blank or flickering screen. Digital magnification allows you to enlarge a selected area of the screen for easier viewing.

In addition to the remote control and wide range of cables that come as standard with the CP-S833, there are two high quality carrying cases available.

With capabilities normally only found in larger desktop models the CP-S833 is the perfect choice for a high performance portable projector.

Specifications

Optical

Structure	3 LCD panels, one lens, RGB shutter
LCD Panel	3 x 0.9", P-Si TFT active matrix
Resolution	RGB - 800 dots x 600 lines Video - 400 TV lines
Brightness	700 ANSI lumens
Colour	Full colour (16.7 million colours)
Contrast ratio	200:1 (100:1 typ ANSI)
Focus distance	1.2m ~ 10m
Lens	F1.7 ~ 2.0, f=38 ~ 50mm
Aspect ratio	4:3
Screen size	30" to 240"
Keystone	10° fixed, upward shift
Lamp	150W, UHB type
Lamp life	2000 hours

Compatibility

Video	Full PAL, NTSC and SECAM
Computer	IBM compatible VGA and SVGA, XGA (compressed), Macintosh, Power Macintosh, PowerBook
Horizontal frequency	25 ~ 60kHz
Vertical scan rate	56 ~ 85Hz

Connectors

RGB Input	2 x Analogue - D-sub 15-pin
	2 x Audio - stereo mini-jack
Video Input	2 x S-Video - Mini-din 4 pin 2 x Composite - phono 2 x Audio - phono L and R
RGB Output	1 x Analogue - D-sub 15-pin
Audio Output	1 x Audio - stereo mini-jack
RS-232C	1 x D-sub 15-pin

Additional Features

Zoom	Manual optical zoom (1:1.3) plus digital zoom magnification
Focus	Manual focus
Image	Horizontal & vertical reverse plus picture freeze
Audio	1W stereo, two internal speakers
Supplied with	Remote control unit, power cable, VGA cable, 9pin PS/2 mouse cable, serial mouse cable, video/audio cable, Mac adaptor and ADB mouse cable, 2 AA batteries

General

Power Supply	AC90 ~ 132V, 198 ~ 264V 50/60Hz, autoswitching 200W
Dimensions	230 x 122 x 318mm (WxHxD)
Weight	5kg
Warranty	2 year parts & labour (lamp 3 months)

Design and specifications are subject to change without notice.
